## Differentiation Through "i"nnovation

This showcase will provide you the opportunity to greet attendees and introduce yourself and your company to them. A booth will be available for you to setup and display your company products and services. We will be providing a gallery that will be open throughout the day to allow conference attendees, plus other potential customers, the opportunity to stop by your booth and see your products. Lunch will be served to attendees in the gallery area from 12:25 pm to 1:30 pm, allowing attendees to stroll through the vendor showcase area while enjoying lunch. The showcase will extend from 5:30 pm – 7:00 pm after conference sessions end for the day. An Attendee raffle will be held right after sessions end.
